The Indiane

The finding Washington Oct fl. A following to the Indian Office, duted At his son. Kneak Oct. 6, from the click of the Central Superintendent, says. General Hazan writes from Fart Sanders that the Knowas and Camanches who were upon the Arkanssa rayer, lave, without doubt, joined the Chepennes and Arapakes all the war.

Capt Murphy is al Council Grove.

Brest With Indians in Texas

Brest With General Merrit, commining at borl Diss, Lixis, under deep of Sipt 1) reports that It Cisack, of the North Civily, who was not from Fort Divis with a determined sixly men from companies (F. and K. if his regiment, and evolunter) party of Mexicon, to recupium the stock recen'ts of the North Indians, Api hes, some two bunderd strong about eighty mise cast of Fort Divis, attacked them and killed in a moning fight extending over five miles, between twenty and futire of them, wounded as many more, and to it from them their stock, over two hear few cittle, destroyed the entire comp including their winter store of means beans, &c., and recommed two Mexican boxs who had been in exposity four or five pears. The loss to It Cusas &'s command was two soldiers severely though not danger outly wounded, and two bores.

Man Stabbed.

At a drunk or row in Quincy, on Sunday morning, resulted in the death of Airs. Garent, from stable influence in Rugent Goard. The latter is under arrest for manufactured. Accidentally shet.

Samual S Shoperd, 25 years of age, was nicidentally that this morning in Achiand, N. H.— He was preparing for a hunting exeursion Republican dains.

The propeller Perseverance, (apt John Fr. glbbous, of the Welland Kailwas time, took fire fifteen miles off Putin yelle that John Fr. glbbous, of the Welland Kailwas time, took fire fifteen miles off Putin yelle that John Kailwas time, took fire fifteen miles off Putin yelle that John Kailwas time, took fire fifteen miles off Putin yelle that John Kailwas time, took fire him was first discovered by the engineer, who showed it to the first mate, he being them on watch, and almost before they could realize the appalling fact the propeier was completely enveloped in fiames. Two of her boats were on fire before they could be rached, but the third was taunched and put off with the two mates and two then and a boy. There were inhetern per sons thourd, fourteen of whom, including the capitain perished in the fitness one thourd, fourteen of whom, including the capitain perished in the fitness. The propeller Enterprise, of the same line, was about lifteen miles astern of the Perseverance, and she picked up the boat con lating the persons above named, and arrived here with them this afternoon. The Euterprise remained near the burning steamer until day light, at which time the wrock was still alloat The capitain's son, who was first male, is sainong the aweef. The Cargo of the Perseverance consisted of 20 147 bushels of corn, for T. S. Mott, of Oawero, and both boat and cargo were lastned.

Mrs Davis and daughter.

The survivors are Mosses Fitzgil hone first mate, and son of the captain Wm Therp, seemd mate. Peter Segho, wheeleman, and Patrick Lynch the porter.

Bince the removal of the Grocery House of rranger & Co to their more extensive and comnodious quarters in the well known Ames store, corner of Pine and Franklin streets, on the first of September, their custom has increased one hundred per cent. The grocery trade of the oil regions is immense in extent, and the quality of the goods consumed here bespeaks a popula-

tion that live on the best the market affords Granger & Co, it is stated, on the authority of New York Commercial House, sell as many goods a year as any one of the five largest whole ale grocery houses of Cleveland On Saturday last, five car loads of goods were received by them from New York. Reeping an agent in New York, they are enabled to sell their heavy goods at the price they can be bought for in New York elte, with transportation added Their business is admirably systematized and divided into reixi), sample and wholesale departments Fourteen employees are engaged in the various departments. The main front room, thirty by forty feet, is the retail department, filled with a full line of groceries to dispense from the coners Above is the sample room with its cruwded shelves, and in the rear the heavy goods in cet lar, first and second floors and att c, piled to the ceilings and rafters, and with only narrow past ige ways. Carrying a stock of from seventy five to a hundred thousand dollars, the proprietors
